Waters Express Laundry Center

The Waters Express Laundry Center features high-speed machines that shorten the wash/dry process to under 60 minutes; wireless Internet access; and laundry service associates who act more like mothers than employees. At Express Laundry Center, customer service spins out of control, thanks to convenience programs like Load & Leave, Drop & Shop and drop-off drycleaning.

High-Speed Technology

Fly in and fly out with our high-speed washers! They clean better and shorten the time it takes to do laundry by removing more water with each spin. The result—laundry dries faster and customers are in and out in 60 minutes or less.

We're Wired!

FREE high-speed wireless Internet access keeps you surfing while your laundry is churning.

Mammoth Washers

The Waters Express Laundry Center offers the most rotund and massive washers around. Perfect for large or bulky items such as comforters, sleeping bags, rugs, blankets or large loads, our Power-Load Plus Washer is capable of handling 9 loads of laundry at one time! It can tackle anything a family can dish out! So, when you've got tons of laundry to do, remember, size matters and bigger is most definitely better.
